### 3. Evaluating

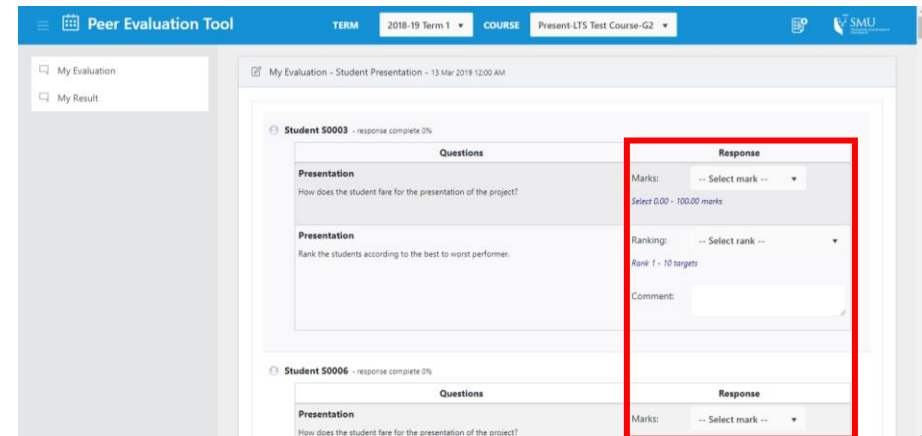

- 1) Under **Open Sessions**, click on an **active evaluation sessions** to start evaluating. This will bring you to the landing page of **Evaluation Summary**

- 2) Click the **'Open Evaluation'** button that will bring you to the **Evaluation Input** page

- 3) In the evaluation input screen, you can select **'Marks'** and enter **Comments** if your instructor has enabled comments (*refer to the example below*)

- 4) Click **'Save'** located at the bottom of the screen

## 4. Results

### Note:

You can view the results of an evaluation only after the evaluation is closed, and if your instructor has enabled it.

To view your results:

- 1) Click the '**My Results**' button in the left toolbar. This will bring you to the **Results Summary** page
- 2) Click on the **Evaluation Header** of the evaluation which contains the results you wish to check

The screenshot shows the Peer Evaluation Tool interface. On the left, there is a sidebar with a 'My Result' button highlighted by a red box. The main content area is titled 'My Result' and displays a list of evaluations. The evaluation 'Student Evaluate Own Group Members [Jian Qiang 1]' is selected, and its score '0.68' is highlighted with a red box. Below this, a detailed view for 'Class 1' is shown, with the 'Degree of Effort' score '0.38' highlighted by a red box.

- 3) You will see the drop-down tab that displays the **detailed breakdown of your results** for that particular evaluation. You may also check your **overall evaluation score** displayed on the left side of the evaluation header

The screenshot shows the detailed breakdown of results for the evaluation 'Student Evaluate Own Group Members [Jian Qiang 1]'. The overall score '0.68' is displayed in a red box on the left. The detailed breakdown for 'Class 1' is shown in a red box, listing the following scores:

Category	Score
Degree of Effort	0.38
Timeliness	1.00
Who contributed the most in your group	1.50
